INFORMATION DISCLOSURE STATEMENT
TRANSMITTAL UNDER 37 § 1.97

Dear Sir:

The documents listed on the enclosed form PTO-SB-08A have come to the attention of applicant, in that they were cited in a communication from a foreign patent office in a counterpart application, and are submitted to the Office under 37 C.F.R. §1.97. Copies of cited United States patents and United States patent application publications are not enclosed. This statement is not a representation that all of the information cited is necessarily effective as prior art against the present application or that a prior art search was performed.

Because a first Office Action on the merits has not been received to date, it is believed that this Information Disclosure Statement is filed prior to the mailing of a first Office Action on the merits, and that therefore no fee is required, pursuant to 37 C.F.R. §1.97(b)(3). In the event that a first Office Action has been mailed prior to the filing of this Information Disclosure Statement, then this Information Disclosure Statement should be considered, since each item contained therein was cited in a communication from a foreign patent office in a counterpart application not more than three months prior to the filing of the Information Disclosure Statement, pursuant to 37 C.F.R. §1.97(c). The Commissioner is authorized to charge any fees that may be required by this paper to Deposit Account No. 06-2425.

Applicant respectfully requests that the cited references be considered and made of record. It is respectfully requested that the examiner indicate consideration of the cited references by returning a copy of the attached form PTO-SB-08A with initials and/or other appropriate marks.

Respectfully submitted,

FULWIDER PATTON LLP
